Celebrating membership

OCTOBER IS NATIONAL CO-OP MONTH

Fall is a busy time, and October is a particularly eventful month with school, community and sports activities in full swing. It's also when all

cooperatives celebrate National Co-op Month.

When I say Daviess-Martin County REMC celebrates Co-op Month, it really means we are celebrating you! After all, our co-op wouldn't exist without you, our members.

Our core business purpose is to serve as your electricity provider, but the larger mission of the co-op is to help make our corner of the world a better place. "Concern for community" is one of seven guiding principles that all co-ops share.

Similar to how our wires run through our service territory, our concern for community flows through all of our decisions — because being a co-op means being a responsible partner and good neighbor.

Daviess-Martin County REMC works to help our community thrive through initiatives led by our employees and local board, which is comprised of neighbors who live right here in our community. Because we're local, we understand our community's unique needs and strive to help meet them.

We're proud to support local youth through our Youth Tour and camp programs. With your help, we offer Operation Round Up to provide assistance to our community's most vulnerable. We partner with and support area schools, fairs and charitable organizations.

Focused on YOU.

Electric cooperatives were created to serve their members. Because we're a co-op, we're able to adapt to our community's unique needs. That's the power of co-op membership.

The word “cooperative” is close to “cooperation,” meaning people working together towards a common goal – mutually benefiting one another and the larger community. That’s the essence of the cooperative spirit. Our employees and member-elected board members are invested in the community in which they live and serve.

Above all, as a co-op, we put our members’ priorities first. As your trusted energy partner, we know that saving energy and money is important to you. That’s why we have numerous programs in place to help, including residential, commercial, HVAC and electric lawn equipment rebates.

We want to empower you to manage energy use at home. If you haven’t already, I encourage you take a moment and download our app, SmartHub. Through the app, you can conveniently monitor and manage your energy use. And we’re of course here to help, so give us a call if you have questions about your energy bills.

Daviess-Martin County REMC is continuously examining ways to operate more efficiently while continuing to provide the highest level of friendly, reliable service you expect and deserve. After all, we’re your local co-op. We were built by the members we serve.

Continuing to grow

Daviess-Martin County REMC is continuing to grow so that we can better serve our members. That’s why we’re glad to welcome Jarett Arvin to the team.

Arvin joined us mid-August as a second year apprentice. The Loogootee native is a 2020 Loogootee High School graduate. Before starting with us, Arvin completed contracting work with Electricom while also farming, and he continues to farm as it is one of his hobbies. Arvin said he looks forward to getting to help others every day by keeping the lights on.

FEEDING THE COMMUNITIES

Daviess-Martin County REMC's lending institution, CoBank, has a program called Sharing Success. This program will match the contribution of its customers to 501c(3) charitable organizations and causes. By being an eligible customer of CoBank, Daviess-Martin County REMC may request matches for up to four contributions. Daviess-Martin County REMC selected a food bank from each of the three counties they serve. Those food banks included Feed My Sheep of Daviess County Inc., St. Vincent de Paul Society in Martin County, and Bedford Community Care Center Inc. in Lawrence County.

Daviess-Martin County REMC completed applications for the three food banks, and all were approved. DMREMC was pleased to inform the three 501c(3) food bank organizations that they will receive a total contribution of \$7,000 each.

Half of each contribution will be from CoBank's Sharing Success Program and Daviess-Martin County REMC.
