

Daviess-Martin County REMC

2023 Residential Rebate Program

About the Program

Your electric cooperative is offering a 2023 residential rebate for qualifying equipment (water heaters, geothermal heat pumps and air source, ductless mini-split or dual fuel heat pumps). To qualify, you must occupy the home where the equipment is installed year-round (12 months) and unit must heat and cool the whole home, unless otherwise stated.

Please provide the following documents to your electric cooperative to apply for possible rebates*:

- AHRI (Air conditioning, Heating and Refrigeration Institute) certificate for validation of all SEER ratings. (This can be obtained from the installing heating and cooling contractor.)
- 2023 Residential Rebate Application
- Proof of purchase (invoice or receipt)

Must apply by December 15, 2023
